

Підготовка Студентів до Переведення в Університет

Роль Асоціації зі Ступенем Мистецтв в
Переведенні до Університету

Асоціат з Мистецтв (A.A) та Асистент в Галузі Науки (A.S) та Загальна Освіта - 60 кредитних ГОДИН

- AA – 36 годин загальної освіти, 24 години для передумов та вимог для переведення до університету
- AS – 15 годин загальної освіти, 45 + годин технічного навчання, професійно-спеціальної підготовки, які зазвичай не підлягають для переведення до університету.
- Загальна освіта – загальні заняття, які повинні брати всі студенти. Обов'язкові предмети такі як математика, англійська та інші. Загальноосвітні предмети - це заняття ліберального мистецтва, а не бізнес чи технічних занять. Штат вимагає, щоб певні предмети були частиною загальної освіти в усьому штаті.

Санта-Фе коледж А.А Загальноосвітні заняття для підвищення кваліфікації

- *Комунікації, мінімум 6 годин, 2 заняття*
- *Дослідження та Аналіз, мінімум 3 години, 1 заняття*

Degree Audit

The screenshot shows the 'Degree Audit' page for a 'GUEST' user. On the left is a navigation menu with categories: Records, Advisement, Finances, My Classes, Study Tools, and eVote. The main content area is titled 'Degree Audit GUEST' and contains two primary sections: 'Degree/Advisement Track' and 'Advisement Information'. The 'Degree/Advisement Track' section includes dropdown menus for 'Advisement Tracks' (set to AA-1031-ACCOUNTING) and 'Transfer School' (set to UNIVERSITY OF FLORIDA), along with 'Program Admission Year' (pending) and explanatory text about transferability. The 'Advisement Information' section lists various fields such as 'Preferred Campus' (No Center Selected), 'First Term', 'Last Term', 'Admission Status', 'Academic Status', 'Financial Aid SAP Status', and 'Orientation'. At the bottom, there are three blue links: 'Recommended course for first time in college students', 'Recommended course for undeclared majors', and 'State University Admission Foreign Language Requirement'. Three callout boxes provide additional context: one points to the 'Advisement' menu item, another points to the 'Transfer School' dropdown, and a third points to the 'Advisement Information' section.

6 HRS (6 hrs from A) OR (3 hrs from A & 3 hrs from B)

Note: Mathematics courses require a grade of C or higher.

We strongly recommend CLM placement test (G-25) to determine proper math placement. MGF1100 or MAT1033 (elective credit) is a prerequisite for MGF1106 and MGF1107. MAT1033 or MAT1032 and MAT1034 (elective credit) is a prerequisite for MAC1105.

You need 6 hours of math beyond MAT1033 or MGF 1100. Be aware, Math courses require a C or higher.

Click on the Course Number link to get a course description and full prerequisite list.

Be sure to check for transfer courses.

If your transfer major doesn't have a specific math requirement, you can take MGF1107 and MGF1106 to fulfill the 6 hours of math
 • You only need a D in MAT1033 to take these two classes
